

FOX Holiday Socks for the Salvation Army

FOX Holiday Socks is the collaborative effort of the existing Salvation Army Christmas Stocking program and FOX Richmond's Public Service effort. Each year The Salvation Army helps underprivileged parents deliver hope to their children during the holiday season.

Through FOX Holiday Socks families in need can choose a stocking carefully filled by a member of the community with items specifically chosen for a child by age and gender. In our community alone, hundreds of children benefit from this program.

This program could not exist without the participation of its broadcast partners. Through an intensive campaign of public service announcements, print marketing, on-site displays and distribution points, the Central Virginia area is informed about the program and how they can help.

Please note you are not limited just to these suggested items below. Many of these items can cross-over into other ages, but this should get you started. Note that items with a slash (/) are BOY / GIRL.

HAVE FUN & BE CREATIVE! **REMEMBER: NO FOOD OR CANDY!**

Some helpful tips:

- 1. Select age appropriate items that will fit into stockings** like those listed below. Label your stockings with the age span and whether it is for a boy or girl.
- 2. Keep in mind the size of your stocking.** If you have extra items, fill another stocking. Please do not attach anything to the outside of the stocking.
- 3. Leave enough room at the top of the stocking** so that the stocking topper can fold over the top to secure the items and be securely stapled. This will insure that items will not slip out of stocking during handling and transporting.
